Present

The Mapping of North America: The Westward Expansion July 26 & 27, 2012

University of Denver – Denver CO

Plan now to attend this conference. Topics will range from the earliest concepts of a new world, to recent technological developments in the depiction of cartographic information. The focus will be on the exploration and mapping of the continent, and the evolving concept of the frontier.

Presenters:

- Mr. Philip Burden - (Keynote Speaker), Author - *Mapping of North America*
- Mr. David Rumsey – Founder - Cartography Associates
- Dr. Imre Demhardt –History of Cartography, University of Texas at Arlington
- Dr. Susan Schulten – Department of History, University of Denver
- Dr. Margaret Pearce – Department of Geography, University of Kansas
- Dr. Angel Abbud-Madrid – Colorado School of Mines
- Dr. John Miller Morris - University of Texas at San Antonio
- Mr. Bill Warren – Cartographic Advisor - Huntington Library
- Dr. James Akerman –Hermon Dunlap Smith Center, Newberry Library
- Dr. Stephen Hoffenberg MD – Rocky Mountain Map Society
- Mr. John Hessler – Senior Cartographic Librarian - Library of Congress

Space is limited. Register early to guarantee inclusion and qualify for preferred rate. Registration includes lunches, receptions, limited local transportation, and entry to the Map Fair of the West.
